

## Boletín Informativo

Nº1 Enero 2018

### Comienza la difusión de nuestro Boletín Informativo

Eurydice España-REDIE comienza 2018 dando un paso más en la difusión de sus actividades y productos.

Este **nuevo Boletín Informativo** pretende mantener al día al lector de las novedades relacionadas con esta Unidad y con las redes europea y española de información sobre educación, Eurydice y REDIE.

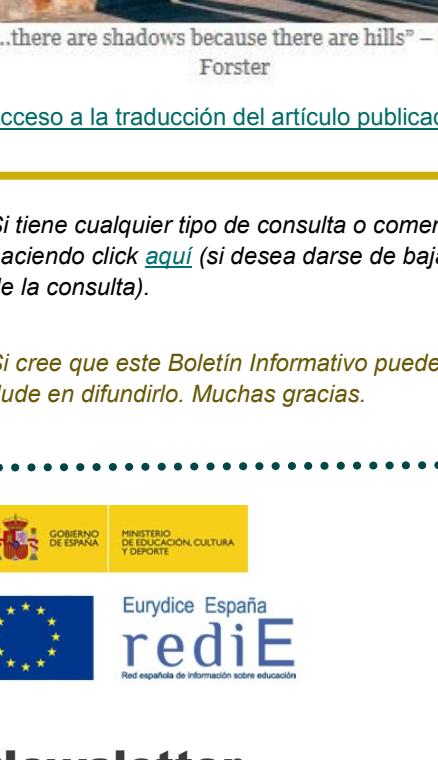

### Quiénes somos

**Eurydice España-REDIE** es un mecanismo de cooperación territorial del Ministerio de Educación, Cultura y Deporte (MECD) al servicio de las administraciones educativas del Estado, y es también la Unidad española de la Red Eurydice, al servicio de la Comisión Europea.

Su trabajo consiste en la recopilación, el análisis, la elaboración, el intercambio y la difusión de información sobre educación fiable, oficial y comparable.

La información sobre educación está dirigida a apoyar el diseño de políticas educativas y la toma de decisiones a nivel europeo, nacional y autonómico, así como a realizar el seguimiento de los objetivos de la educación.

- Realiza la contribución española a **Eurydice**, Red europea de información sobre Educación de la Comisión Europea
- Elabora los estudios y la información generada por **REDIE**, Red española de información sobre educación, en la que participan el MECD y las Consejerías y Departamentos de Educación de las Comunidades Autónomas.

### Acceso a la web de Eurydice España-REDIE

#### Últimas publicaciones Eurydice - REDIE del año 2017

Eurydice España-REDIE acaba de renovar su portal web para hacer más fácil el acceso a las últimas publicaciones sobre la educación y los sistemas educativos en Europa y España.

Las novedades correspondientes al final del año 2017 se pueden consultar desde el carrusel de la página de inicio, o desde las secciones Estudios e Informes y Datos y Cifras de la web.

Pulsa sobre la imagen para acceder al carrusel de las últimas publicaciones

### Nueva sección de Infografías

Eurydice España-REDIE elabora **Infografías sobre los estudios publicados** por ambas redes de información sobre educación.

Actualmente pueden consultarse 11 infografías, difundidas entre julio y diciembre del pasado año 2017.

### Acceso a la sección de Infografías

#### Actualización de REDIPEDIA

Eurydice España-REDIE está actualizando esta **encyclopedia online del sistema educativo español**.

Ya se pueden consultar los *descriptores autonómicos* correspondientes a los siguientes capítulos:

- Capítulo 8, **Educación y Formación de Personas Adultas**
- Capítulo 9, **Profesorado**

#### Acceso al post "Creación de Redipedia, la Encyclopædia online del sistema educativo español"

#### Acceso al capítulo 8 (Educación y Formación de Personas Adultas) de REDIPEDIA

#### Acceso al capítulo 9 (Profesorado) de REDIPEDIA

### La sombra de los ninis es alargada

Eurydice España-REDIE ha publicado en el blog del CNIIE la traducción al castellano de un nuevo artículo de la serie *Focus On*, que analiza el fenómeno de los ninis.

*Focus On* es una serie de artículos sobre distintos temas de la actualidad educativa, elaborados por los técnicos de la Red Eurydice y publicados periódicamente en su página web.

Acceso a la traducción del artículo publicada en el blog del CNIIE

*Si tiene cualquier tipo de consulta o comentarios, puede enviarnos el formulario de contacto haciendo click [aquí](#) (si desea darse de baja del Boletín Informativo, especifíquelo en el motivo de la consulta).*

*Si cree que este Boletín Informativo puede ser de interés para otras personas, por favor, no dude en difundirlo. Muchas gracias.*

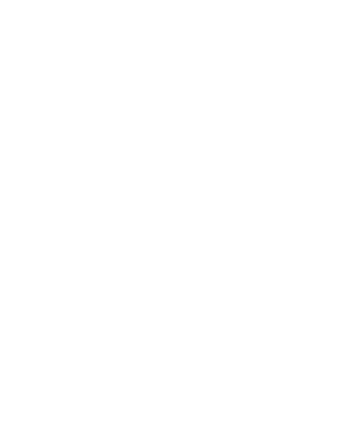

### Newsletter

No.1 January 2018

#### Launch of Eurydice España - Redie Newsletter

Eurydice España - Redie grets the new year 2018 by going one step further concerning the dissemination of its products and activities.

This **brand new monthly newsletter** aims at keeping the reader up to date as regards the latest news related to this Unit and the European and Spanish information networks on education, i.e. Eurydice and REDIE.

### Who are we?

**Eurydice España-REDIE** is a device of the Ministry of Education, Culture and Sport (MECD) for territorial cooperation, at the service of local education authorities in Spain, as well as being the Spanish Unit of the Eurydice Network of the European Commission.

Its work consists on gathering, analysing, producing, exchanging and disseminating reliable, official and comparable information on education.

The information on education is aimed at helping with the design of education policies and the decision making process at the European, national and autonomous levels, as well as with the follow-up of the goals set for education.

#### Eurydice España-REDIE:

- carries out the Spanish contribution to **Eurydice**, the European information network on education
- produces the studies and information created by **REDIE**, the Spanish information network on education, with the participation of the MECD and the Education Departments of the Autonomous Communities.

#### Latest publications by Eurydice - REDIE in 2017

The website of Eurydice España - REDIE has just been redesigned so that access to the latest publications on education and education systems in Europe and Spain is now much clearer.

The products released by the end of 2017 can be consulted on the carousel of the homepage or within the sections Estudios e Informes (Studies and Reports) and Datos y Cifras (Facts and Figures) of the website.

Click on image to see the homepage carousel with the latest publications

### New section on Infographics

Eurydice España-REDIE produces **Infographics about the studies published** by both information networks on education.

11 infographics are currently available for consultation which were released and disseminated between July and December of 2017.
